

Sysco Awards Partner of the Year Award to Grid Dynamics

Key Takeaways:

- Sysco, a global foodservice distribution leader, named Grid Dynamics its Partner of the Year.
- Grid Dynamics was recognized for its efforts with AI initiatives at Sysco's business operations.
- Grid Dynamics' contributions spanned across product search and discovery, digital commerce, and engineering delivery.

SAN RAMON, Calif., October 15, 2026 – [Grid Dynamics](#) Holdings, Inc. (Nasdaq: GDYN) ("Grid Dynamics") today announced that [Sysco](#), the global foodservice distribution leader, has named the company its Partner of the Year. The recognition honors Grid Dynamics' approach and expertise in bringing AI into Sysco's technology and business operations.

Sysco is the global leader in foodservice distribution, generating \$84.6 billion in sales for its fiscal year ended June 27, 2026, and serving approximately 670,000 customer locations across 10 countries.

The partnership began in 2024 with Grid Dynamics teams working alongside Sysco across product search and discovery, digital commerce, and AI-first software development. Grid Dynamics delivered a range of projects that made everyday work easier for Sysco's associates, enhanced the customer experience, and generated measurable business value.

"What makes this partnership work is how closely our teams operate together," said Ragnarok Rocha, Vice President, Digital Commerce and Customer Solutions for Sysco. "Grid Dynamics brings insightful ideas and the hands-on expertise to deliver them into production. That combination has created significant, measurable business value for Sysco."

"Every company can access the same AI models. In the agentic era, the winners will be the companies that get the harness right so AI agents can work safely inside a real business," said Leonard Livschitz, CEO of Grid Dynamics. "At Sysco, we engineer that harness across the revenue-driving parts of the business, from digital commerce to customer care, and we are using our GAIN platforms to transform how Sysco builds software."

Grid Dynamics and Sysco plan to build on the partnership in the years ahead, extending AI further into Sysco's technology and business operations.

About Grid Dynamics

Grid Dynamics (Nasdaq: GDYN) is a premier AI transformation partner for the Fortune 1000. We combine deep AI expertise with proven enterprise-scale delivery to help clients identify where to invest in AI, build systems that work at scale, and capture real business value from AI deployments. A key differentiator for Grid Dynamics is our two decades of technology leadership and pioneering enterprise AI expertise. Founded in 2006, Grid Dynamics is headquartered in Silicon Valley with offices across the Americas, Europe, and India. To learn more about Grid Dynamics, please visit <https://www.griddynamics.com>. Forward-Looking Statements

This communication contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 that are not historical facts, and involve risks and uncertainties that could cause actual results of Grid Dynamics to differ materially from those expected and projected. These forward-looking statements can be identified by the use of forward-looking terminology, including the words "believes," "estimates," "anticipates," "expects," "intends," "plans," "may," "will," "potential," "projects," "predicts," "continue," or "should," or, in each case, their negative or other variations or comparable terminology. These forward-looking statements include, without limitation, quotations and statements regarding the expected benefits of our capabilities and our company's future growth including with customers and partners. Most of these factors are outside Grid Dynamics' control and are difficult to predict. Factors that may cause such differences include, but are not limited to, our ability to achieve expected benefits, any factors limiting our capabilities, the benefits of our services and products, and our company's growth strategy.

Grid Dynamics cautions that the foregoing list of factors is not exclusive. Grid Dynamics cautions readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. Grid Dynamics does not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions or circumstances on which any such statement is based. Further information about factors that could materially affect Grid Dynamics, including its results of operations and financial condition, is set forth under the "Risk Factors" section of Grid

Dynamics' annual report on Form 10-K filed March 5, 2026, and in other periodic filings Grid Dynamics makes with the SEC.
